ABOUT QUEENS

“HOSTING CHRISTMAS PARTIES SINCE 1930”

Queens is the OG competitive socialising hotspot in Central London. Boasting an iconic all-year-round ice rink, 12 bowling lanes, 5 VIP bowling lanes, retro arcades and new AR darts!

Located on Queensway (in the heart of London) experience a great day or night out under one roof with exceptional burgers, chicken, cocktails and shakes from the iconic MEATliquor.

Queens is generally said to be the oldest surviving ice-skating rink in London, having opened its doors as QUEENS Ice Club on 3rd October 1930.

It was the work of architect and entrepreneur Alfred Octavius Edwards who apparently had a passion for ice skating.

It was apparently the first rink used by the BBC for televised ice skating and a number of world and Olympic champions have skated here over the years!
